## AUDITION SHEET

There are opportunities for many different singing voices and seven comedy roles in the skits.

This is a variety type show and as such you maybe required to be in several items as well as singing in the chorus.

**Master of Ceremonies** This is a great opportunity for someone to help bind the show together, introduce the acts, tell a few stories, react with and to the audience.

**Female soloists** a verse and chorus from either 'Summertime' 'Nobody Knows the Trouble I've Seen' or 'Beautiful Dreamer'

**Male soloists** a verse and chorus from either 'Mammy' 'Shenandoah' or 'It Ain't Necessarily So'

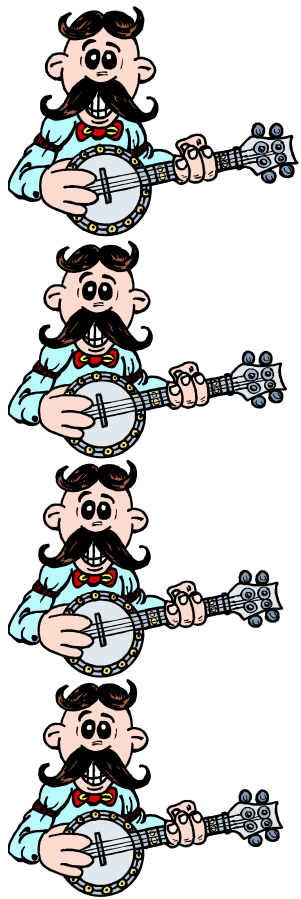

**M/F duets** a verse and chorus from either 'Only Make Believe' or "Why Do I Love You"

***Singers please learn your song before coming to auditions***

**Skits** Readings from 'Blind Date' 'Dinner for One' and 'He Said He's Met You Before'

The audition pieces are not necessarily the songs or skits you'll be chosen for.
